Message from the Chef de Mission

As the Chef de Mission for Team Alberta at the Western Canada Summer Games in Abbotsford, British Columbia, I want to take this opportunity to thank all athletes, coaches, managers, mission staff and fans for their dedication and commitment to our team.

Each of you made a unique contribution to the team and without you, we would not have been as strong. Whether you received a medal, achieved a personal best or supported the team from the sideline, I hope these Games were a memorable experience for you. This Souvenir Book is presented to you with the hope it will preserve some of the memories from these Games and remind you what a vital role sport and the comeraderie it facilitates, can play in each of our lives.

On behalf of all the mission staff, I thank you and wish you all the best in your future athletic endeavours.

Angela Moss
Chef de Mission

Western Canada Summer Games Trophy

The Western Canada Summer Games Trophy is awarded to the province or territory that accumulates the most points over the six days of the Games. This is determined by the provincial/territorial final standings on a sport by sport basis. Six points are awarded for finishing first, five points for a second place showing and so on.

At the 1995 Western Canada Summer Games, Team Alberta finished in second place behind British Columbia.

The following is a list of the flag points awarded to each competing provincial/territorial contingent.

PROVINCE	STANDING	POINTS
British Columbia	1	201
Alberta	**2**	**165**
Manitoba	3	153
Saskatchewan	4	144
Northwest Territories	5	17
Yukon	6	14

While medals are only indirectly related to the Western Canada Games flag points, it is interesting to look at the medal summary for all provincial/territorial contingents.

PROVINCE	AWARD OF EXCELLENCE (GOLD)	AWARD OF ACHIEVEMENT (SILVER)
British Columbia	78	39
Saskatchewan	35	37
Alberta	**29**	**36**
Manitoba	23	31
Yukon	2	1
Northwest Territories	0	0

COACHES CLIPBOARD

"The Western Canada Summer Games was the highlight of my four years as head coach of the provincial women's basketball team. I am really pleased that we were competitive with all the teams at the games. Any of the four western provinces could have won the women's basketball competition. What I will remember most, though, is the great group of people that made up our team. It was a real pleasure to work with them in preparation for these games."

COACHES CLIPBOARD

"Mike Perks definitely took center stage for the team. Not only winning medals in individual events Mike also coxed the war canoe to a silver medal performance. Mike was the leader of a relatively young team. This competition holds good things in the future of Alberta Canoeing. Four members of the team will go on to represent Alberta at the 1997 Canada Games in Brandon. A great job by all mission staff; you put on a great show!"

COACHES CLIPBOARD

"As a team, our athletes performed well however, we were without some of or top athletes due to a conflict with junior nationals and had no wheelchair competitors. Off the courts, the athletes and coaches were quickly caught up in the frenzied world of pin trading and later in the Games, uniform trading. Everyone thoroughly enjoyed participating in the Western Canada Summer Games which has a unique atmosphere and excitement that can not be duplicated in single sport competitions (e.g. tennis junior nationals)."
